

Newsletter for March 6-10 Mrs. Chappell

<p>Math- We will continue working on percent of a number and preparing for our upcoming SAT test. See lesson Plans for more details. We will start our Geometry unit next Monday. Testing dates will be set on next Monday's newsletter.</p>	<p>Science- We are finishing up our Motion unit. We will be working on Speed, Gravity, push and pull this week. Students will be testing these by dropping similar items from different heights in slo- mo and documenting their results. Next week we will finish with simple machines and then test. Remember that the lapbook will be for grade and there will be a test. The lapbook and a handout the will complete in class on Friday will be used as their study guide. The test is scheduled for Wednesday, March 15th.</p>
<p>We will return to social studies after spring holidays.</p>	<p>SAT testing will start Thursday, March 9th. Reminders;</p> <ol style="list-style-type: none">1. Lunch money is due Monday.2.
